VALIDATION

**READ CAREFULLY**

This application is a building permit when properly filled out, signed, and validated for the correct permit fee in the validation space. Permission is therefore granted to do such work as indicated in this application, in accordance with, and subject to all of the provisions of the Building Code and related laws.

This permit becomes null and void if work is not commenced within 180 days from the date of issuance or if work is suspended at any time during construction for more than 180 days, or if any work is done on said building or structure in violation of any City ordinance or

State law relating thereto.

A street construction permit is required for any material storage or work done in the road right of way.
